Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Please amend the application as set forth below.

The computer readable form of the "Sequence Listing" in the current application is identical to that filed in the parent application, Application No. 09/784,356, filed February 14, 2001. In accordance with 37 C.F.R. § 1.821(e), please use the computer readable form filed in that application as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application. A paper copy of the "Sequence Listing" filed in the parent application is included in the instant amendment for incorporation into the specification.

The information contained in the computer readable disk submitted in the parent application was prepared through the use of the software program "FastSEQ" and is identical to the paper copy.
